## EXPERIENCE

### Public & Regulatory

Rayan accepts instructions in all areas of public and regulatory law, having acted in some of the most high-profile litigation in this area over the past few years.

### Cases

#### **AAA v Secretary of State for the Home Department**

[2023] UKSC 42

Successfully represented the claimant asylum-seekers in a judicial review challenging the Secretary of State's decisions to remove the individual claimants to Rwanda pursuant to her policy of removing asylum seekers from the UK to Rwanda, as well as the lawfulness of the Rwanda removal policy itself (led by Raza Husain KC and others).

The individual removal and human rights decisions were quashed by the High Court on 19 December 2022. On 29 June 2023, the Court of Appeal allowed the Claimants' appeal on the issue of whether Rwanda was a "safe third country" and held that there were substantial grounds for believing that asylum-seekers removed to Rwanda would be at real risk of torture or inhuman or degrading treatment contrary to Article 3 of the European Convention on Human Rights. On 15 November 2023, the Supreme Court dismissed the Secretary of State's appeal and held, in agreement with the Court of Appeal, that there were substantial grounds for believing that asylum-seekers removed to Rwanda would be at real risk of torture or inhuman or degrading treatment.
